KIMI KIT 120 HAZELNUT

3760287004692

PRODUCT NAME	KIMI KIT Bed 120 Hazelnut + Mattress	
EAN	3760287004692	
MARKETING DESCRIPTION	<p>After the KUMI cradle, here is the KIMI bed, a 120x60 cm format baby bed, round and transparent. A completely new baby bed by its conception and design :</p> <p>KIMI has no bars No more bars on your baby's bed! This way, he can see the world around him without hindrance and above all not get injured by getting his leg or arm stuck. Moreover, the absence of bars will prevent him from leaning over the side of the bed.</p> <p>KIMI is made of untreated beech wood without any treatment We wanted to eliminate any toxic product in contact with your baby. Especially on the sides of the bed that babies tend to chew on when they are teething. The KIMI is therefore made of untreated beech wood without any treatment, very finely sanded, wonderfully soft to the touch.</p> <p>KIMI is upgradeable, to last a very long time When your child is ready to sleep in a toddler bed, the KIMI can adapt itself transforming into an open bed in its upgradeable version. If you are worried that your child will fall out during the night, you can add our YOMI bumper to the side of the mattress. This way you can use your KIMI as a bed until your child is 4/5 years old. And even beyond that, since you can use it as a cot.</p> <p>KIMI is customisable Choose the cord that best suits your interior. Or change the cord for your second child; Or even opt for a straight lacing instead of a crossover, KIMI adapts to your desires and tastes. You can also choose the mattress (optional) that suits you best. A CertiPUR foam mattress made in France, or an organic mattress with a firmer baby side and a softer child side.</p> <p>KIMI is beautiful! Well, it's true, it's all a matter of taste! But at Charlie Crane we are very proud of our latest baby. With its airy design, its soft and harmonious curves, its attention to detail, it looks like no other bed while fitting perfectly in any child's room.</p>

A completely new baby bed by its conception and design :</p> <p>KIMI has no bars No more bars on your baby's bed! This way, he can see the world around him without hindrance and above all not get injured by getting his leg or arm stuck. Moreover, the absence of bars will prevent him from leaning over the side of the bed.</p> <p>KIMI is made of untreated beech wood without any treatment We wanted to eliminate any toxic product in contact with your baby. Especially on the sides of the bed that babies tend to chew on when they are teething. The KIMI is therefore made of untreated beech wood without any treatment, very finely sanded, wonderfully soft to the touch.</p> <p>KIMI is upgradeable, to last a very long time When your child is ready to sleep in a toddler bed, the KIMI can adapt itself transforming into an open bed in its upgradeable version. If you are worried that your child will fall out during the night, you can add our YOMI bumper to the side of the mattress. This way you can use your KIMI as a bed until your child is 4/5 years old. And even beyond that, since you can use it as a cot.</p> <p>KIMI is customisable Choose the cord that best suits your interior. Or change the cord for your second child; Or even opt for a straight lacing instead of a crossover, KIMI adapts to your desires and tastes. You can also choose the mattress (optional) that suits you best. A CertiPur foam mattress made in France, or an organic mattress with a firmer baby side and a softer child side.</p> <p>KIMI is beautiful! Well, it's true, it's all a matter of taste! But at Charlie Crane we are very proud of our latest baby. With its airy design, its soft and harmonious curves, its attention to detail, it looks like no other bed while fitting perfectly in any child's room.</p>
