PRESENTATION	Charlie Crane x Season Paper To give a gentle welcome to autumn babies, Charlie Crane and Season Paper have teamed up on a timeless collection combining design and graphic poetry. At the heart of this collaboration, the Mouvement motif - inspired by seaweed and foliage, halfway between forest and ocean - echoes the world of Henri Matisse, with its fluid gestures and free forms. Used on Season Paper wallpapers and iconic Charlie Crane pieces, it brings softness and light to all interiors, for a long time to come.
